

CCA Unit 1 Homework (includes CCA Chapter 1) Name: _____ #: _____

5 points: every problem is complete and all work is shown

ALL Homework and Assignment details can be found on our class WEBSITE:

www.iamamathperson.weebly.com Click on planbook calendar (easiest to select DAY view) or go to Planbook.com and sign into student view with key: MsCoriAlgebra

PLEASE NOTE: You can and need to make corrections to learn the material if you don't get it the first time through. Each of these are important problems that you will see on exams and you need to learn how to do. You must earn 80% or higher on your homework to earn a spot on a team for the Team Test!
