

CCA Unit 4 Homework (includes CCA Chapter 9 + 4) Name _____

ALL Homework and Assignment details can be found on our class WEBSITE:
www.iamamathperson.weebly.com Click on planbook calendar (easiest to select DAY view) or go to Planbook.com and sign into student view with my email address and key: MsCoriAlgebra . There is also an easy to use APP!

Please refer to your Learning Contract for this Unit for Homework requirements for each level. Regardless of level, you must complete homework in the expected format. Please refer to the examples or ask questions if you are confused.

C-Level completes Extending Homework only (though it may be helpful for you to watch videos too, or try some of the other problems on our website).

B-Level and A-Level are responsible for reviewing specific directions on website/planbook as usual.
