

CCA Unit 5 Homework (includes CCA Chapter 8 + 9) Name _____

ALL Homework and Assignment details can be found on our class WEBSITE:

www.iamamathperson.weebly.com Click on planbook calendar (easiest to select DAY view) or go to Planbook.com and sign into student view with my email address and key: MsCoriAlgebra . There is also an easy to use APP!

Please refer to your Learning Contract for this Unit for Homework requirements for each level. Videos are not required for this unit, **BUT STRONGLY RECOMMENDED--ESPECIALLY IF YOU DON'T KNOW HOW to do the homework.**

Regardless of level, you must complete homework in the expected format. Please refer to the examples or ask questions if you are confused.

C-Level completes Extending Homework only (though it is ABSOLUTELY helpful for you to watch videos, and try some of the other problems on our website).

B-Level and A-Level are responsible for reviewing specific directions on website/planbook as usual.

STUCK? Try free tutoring here at school, with LA Public Library (they also have tutors across the street after school!) or FREE online: https://www.lapl.org/onlinetutor				Stamped if Complete/Give yourself accuracy self-rating	
Day	Date	Section	Homework	HW Complete	1=not very, 5 = 100%)
